Dear Parents

Greetings to all!

At the onset, we hope that you and your family is safe & healthy and is faring well despite the prevailing atrocities of the pandemic that caught us off-guard. The well-being of our students and their parents is a prime concern for us.

During the past few months, the school and the wonderful parents have walked hand in hand and overcome lot of hurdles for the smooth transition of teaching learning process. The new normal has been unpredictable and turned the entire world topsy-turvy. When everything around us came crashing down, teachers, as front line warriors, assumed a new role and overnight plunged into new realm of technology so that the children did not have to face any gap in acquiring knowledge.

The school too followed the guidelines of D.O.E. last year and charged only the tuition fees deferring all other fee like Annual Charges, Development fee and earmarked charges. Thus, leaving the school with a massive deficit.

This year, the Hon'ble High court in its judgment dated 31.05.2021, has pronounced clearly the prerogative of the schools on the basis of the recurrent expenditures incurred throughout the last year. Further, the Hon'ble High Court has allowed the School to collect the Annual Charges and Development fee out of all other pending dues.

We understand the financial stress on some of you but we are constrained to request you for the pending dues to enable the school to overcome its substantial strains and alleviate the shortfall.

We seek your kind cooperation in helping us fulfill our commitments in the education of our children.

Warm Regards
