## JUBILANT JAUNT

(For Classes Nursery & K.G)

Dear Parents,

Greetings to all!

As the year rolls by and we are on the road to taking baby steps towards normalcy. It is now the time to chart a vision for how education can emerge stronger from this global crisis than ever before.

The times have been grueling and our little goenkans have missed out on growing up lessons in peer learning, bonding and essential bonhomie that a classroom setup provides. It is an opportunity to help learners grow and develop a broad range of competencies and skills in and out of school.

The school has created a special learning window of 45 minutes for our young learners of classes Nursery and K.G to visit the school with their parents in small groups following a staggered schedule. Our school mentors will conduct some fun filled and engaging activities for children to develop their physical connection with peers and teachers.

### **Important points and Instructions:**

- a) The school will follow all the COVID safety protocols and measures.
- b) Parents and students are requested to strictly follow all generic preventive measures laid down in the standard operating procedures and carry a COVID care kit comprising of a spare mask, sanitizer and their own water bottle.
- c) Wearing of the mask is mandatory.
- d) Self-monitoring of the health is essential. Please avoid this visit to school in case of even a minor illness.
- e) **ONLY ONE PARENT** can accompany the child in the classroom.

Do send in your consent to the class teacher on the given link by Friday, 17<sup>th</sup> September 2021, 12:00pm. This will help us to plan the event better.

Regards,

  
16.9.2021

Anita Khosla  
Principal
