Dear Parents,

Greetings!

We are pleased to inform you about an initiative that the school is launching, named 'स्नेह सारथी: Ambassadors of Compassion', aimed at inculcating compassion, gratitude, and respect for our senior citizens living in Old Age Homes. The objective of the program is to foster understanding of elders in society, engage in acts of kindness and generosity & provide emotional support and companionship to seniors living there.

We invite your cooperation and support in making this initiative a success. Your involvement will not only help our students understand the importance of empathy but will also help bring smiles to the faces of the elderly.

Thank you for your support!

Warm regards,

GDGPSD
