

STUDENT SAFETY ADVISORY IN VIEW OF CURRENT SECURITY CONCERNS

Dear Parents

Greetings!

In view of the recent rise in missing person cases in Delhi and in the interest of ensuring the safety and security of our students, the school is issuing the following **important advisory** for strict compliance:

1. Classes Nursery to V (Bus & Non-Bus Students)

- Parents/guardians **must carry the Parent Pickup Card** at the time of dispersal or while picking up the child from bus stop.
- Parents are requested to **reach the bus stop on time**. On presentation of the Parent Pickup Card, the child will be handed over. **In case of delay**, the child will **not deboard the bus** and will be brought back safely to the school.
- If a parent is unavailable, **only the authorised person**, whose details have already been shared with the school, will be permitted to pick up the child from the school / bus stop.
- **Under no circumstances** will a child be handed over to an unauthorised person.

2. Classes VI to XII (Bus & Non-Bus Students)

- Parents are **strongly advised to personally come to pick up their wards from school / bus stop**, keeping the current safety and security concerns in mind.
- Students are discouraged from leaving the school premises unaccompanied.

3. Early Dispersal / Short Leave

- **No half days, short leaves, or early dispersal will be permitted.**
- In case of a genuine emergency, the student will be handed over **only to the parent/guardian**, after due verification.

Parents are requested to cooperate fully with the school in implementing these measures, which are being taken purely in the interest of student safety.

Your support is crucial in ensuring a secure environment for all our children.

Warm regards
